

HOT RUNNER FLOOR CADDY

Made in the UK from tough, quality components, the Hot Runner Floor Caddy is built primarily from powder-coated steel. Designed to be used on a regular basis, the 'caddy' makes long run floor taping quick, easy and accurate.

- Made in the UK
- Heavy-Duty Construction
- Comfortable & Easy to Use
- Very Stable
- Soft Grip Handles
- Pro Pocket Accessory Pouch
- 24 Month Warranty*
- Rubber Roller for Better Tape Adhesion.
- Spare Tapes Holder
- Compatible with Dirty Rigger Accessories.

The Hot Runner Floor Caddy has been designed to make applying PVC or cloth based self-adhesive tapes to a range of flooring types quick and easy. Tricycle wheeled design for better straight line stability. A heavy duty front roller ensures optimum tape adhesion. A spring loaded roll holder keeps tape steady during application.

Ideal for: Studios, Concerts, Theatres & Convention Centers

*24 month warranty against manufacturing defects.

HOT RUNNER FLOOR CADDY WIDEBOY

The Wide Boy Floor Caddy is made to the same quality specification as the Hot Runner Floor Caddy. The Wide Boy version is specifically designed for clients regularly applying tapes in a range of widths from 50mm up to a maximum width of 150mm. This also includes Le Mark Slipway™ and Pro Tapes Tunnel Tape. The Wide Boy has a spring loaded universal molded core allowing use of most tape brands using a 76mm internal diameter cardboard core.

The Wide Boy is supplied with Dirty Rigger® Pro Pocket pouch plus a red hook/loop strap for securing spare rolls of tape.

*Please read instructions supplied to show fast conversion from a 2 spring 150mm wide tape to a 4 spring 50mm wide tape
